

School Advisory Council
Minutes from 8-30-07

Members/Guests Present: Sandra Daves, Robin Chapman, Sharron Potts, Beryl Centko, Kim Gilbert

The SAC Meeting was held on Thursday, August 30, 2007 in the Media Center at Kaley Elementary School.

The meeting was called to order at 5:20 p.m.

Kaley's School Improvement Plan was reviewed. The new District Vision and Mission Statements were added. Narratives were also added to describe major steps to meet Baseline Expectations in Reading, Math, Writing, and Science within four years.

Kaley will hold a Family Math Night on February 7 to aid parents in helping their children in math.

There is a time/minute change for Fast Forward Intervention. It will now be for 30 minutes a day instead of 50 and will be done at the beginning or at the end of the school day to limit the impact on instructional time.

The PLC Meeting was adjourned at 6:10 p.m.
